

Klamath Trinity Joint Unified School District  
Food Services

KTJUSD values being able to provide meals to our students everyday. We consider the food service program to be an essential function of our District's operations. Now that we are seeing more students face to face, we will be focusing our energy to moving people instead of moving food.

*In our efforts to best serve our students, focus on in-person instruction, and have the most effective use of our staff, **we are discontinuing meal delivery.***

KTJUSD will begin shifting food delivery from bus stop drop offs to:

- Offering meals to students who attend on campus.
- Curbside pickup will be available for to all children in our community 18 and under. Please call your school site before noon the day before if you are picking up.

*The above announcement is for the public ,the information below is site specific and can be modified to fit your needs.*

***Meals on Campus***

- ***WYMS / Jack Norton students may choose to pick up at Weitchpec . Weitchpec meals will come from Hoopa until further notice. Please have those choosing this option call Hoopa El Cafeteria before noon the day before. Denise George ext. 2349 or Becky Woodman ext. 2347***
- ***HVES Monday-Tuesday, Thursday-Friday Wednesday curbside***

***Breakfast after the bell***
